# ALUMINEX

## Aluminum Brightener, Etchant and Cleaner

Use highly concentrated, non-fuming, acid detergent ALUMINEX to keep your food processing surfaces, equipments and utensils looking like new. The CFIA-approved formula cleans and restores oxidized aluminum quickly and easily.

### *Better Cleaner*

Effective and efficient, the quick penetration and etching action ALUMINEX reduces the need to rub, buff or agitate the surface being brightened.

### *Smarter Cleaner*

Not just an effective surface cleaner, ALUMINEX also etches and polishes aluminum, bringing out the natural luster of the metal every time.

### *Faster Cleaner*

Easy-to-apply ALUMINEX cleans and brightens in one operation. It takes just 10 minutes contact time to lift grease, oils, stains and stubborn oxides.
